Leader of the IGCP 710
IGCP Polish National Committee, Secretary

Kraków, 06 April 2023

To whom it will concern

On behalf of the Polish National IGCP Committee (*International GeosScience Programme*) and as a chairman of the 2nd IGCP 710 Symposium which will be held at the AGH University of Science and Technology in Kraków, Poland (28 August – 03 September 2023), I would like to invite **Dr Oleh Hnylko** (Doctor of geological sciences, leading researcher of Institute of Geology and Geochemistry of Combustible Minerals of the National Academy of Sciences of Ukraine), who will be one of the co-guider of field excursion of this Symposium. He is very active member of the IGCP 710 Project of UNESCO (*Western Tethys meets Eastern Tethys – geodynamic, palaeoceanographic and palaeobiogeographic events*) and that's why he has to prepare earlier some geological background in the Polish Carpathians between 25th April and 7th May 2023.

Thanking you in advance for every help of his travel to Poland

Best regards
Sincerely Yours

Dr Michał Krobicki PhD
