

MEMORANDUM OF UNDERSTANDING  
BETWEEN  
INSTITUTE OF GEOLOGICAL SCIENCES  
ACADEMY OF SCIENCES  
REPUBLIC OF POLAND  
AND  
INSTITUTE OF GEOLOGY AND GEOCHEMISTRY OF COMBUSTIBLE MINERALS  
NATIONAL ACADEMY OF SCIENCES OF UKRAINE  
UKRAINE

This Memorandum of Understanding (hereinafter abbreviated as MOU) is signed by the Institute of Geological Sciences, Polish Academy of Sciences (hereinafter abbreviated as IGS-PAS) that is located at 51/55 Twarda street, 00-818 Warsaw, Republic of Poland and Institute of Geology and Geochemistry of Combustible Minerals, National Academy of Sciences of Ukraine (hereinafter abbreviated as IGGCM-NASU) that is located at 3a Naukova street, Lviv 79060, Ukraine.

IGS-PAS and IGGCM-NASU (hereinafter abbreviated individually as the "Party" and collectively as the "Parties") participate in this MOU for mutually beneficial and meaningful research, development, and cooperation in geosciences and mineral resources, and have reached the following understanding:

**Article 1: Areas of Cooperation**

Specific areas of Cooperation may include, but are not limited to, the follows:

1. Geology and mineral resources;
2. Geological structure and tectonics;
3. Petrology, geochemistry and mineralogy;
4. Geophysics;
5. Sedimentology and stratigraphy;
6. Environmental geology; and
7. Other areas of cooperation that may interest the Parties.

## **Article 2: Forms of Cooperation**

Specific forms of Cooperation include, but are not limited to, the follows:

1. Exchanges of technical information and materials;
2. Participation in training courses and conferences;
3. Joint scientific research programs;
4. Exchanges scientists in areas of mutual interests;
5. And any other cooperative research consistent with programs of the Parties in the fields of geosciences and mineral resources

## **Article 3: Procedure for Individual Project**

The activities to be undertaken by each Party will be based upon individual project or program agreements as Annex Agreements between the Parties. The specific Annex Agreement implemented under this MOU, including, if necessary, details of financial arrangements, the allocation and protection of intellectual property rights, and general terms and conditions, will be confirmed in writing and established between the Parties before the commencement of the project or program. These Annex Agreements will include the specific work plans involving staffing requirements, cost estimates, funding sources, and other undertakings, obligations, or conditions that are not included in this MOU. If any inconsistency between this MOU and Annex Agreements here to, the terms of this MOU will prevail.

## **Article 4: Rights of Information, Data, and Innovations**

All scientific, technical, and development information and data used or derived from work performed under this MOU or any Agreement hereto will be freely exchanged between the Parties except for such information and data that the Parties identify as requiring protection under the written law and regulation, of the respective Parties, or otherwise as sensitive protection as its proprietary data. Either Party, after consultation with an agreement by the other Party, may, at its discretion and subject to its national law, publish the information and data exchanged. Each Party is to respect and acknowledge the other Party's copyright for information and data.

## **Article 5: Review of Activities**

Except for specific projects or programs excluded by mutual agreement, each Party reserves the right to review activities carried out under this MOU or any Project Agreement to the MOU. Each Party agrees to inform the other of the outcome of any review of the activities.

Any intention by on Party to substantially modify or discontinue a project or program shall be subject to reasonable notice to the other Party.

## Article 6: Dispute Resolution

This MOU is not legally binding and is made in accordance with the laws of Poland and Ukraine.

Any disputes between the Parties which arise over the interpretation and/or application of this MOU will be settled through direct negotiations and consultation between the Parties.

## Article 7: Entry into Force, Amendment and Termination

This MOU shall enter into force upon signature, remain in force for five (5) years as of the day of its signature, and may be automatically extended if the Parties have no change to the content.

This MOU may be amended by prior written agreement of the Parties.

This MOU may be terminated at any time by either Party upon six (6) months' advance notice to the other Party. After 90 days from the receipt of such notification by any Party, this MOU will no longer be effective. The termination of this MOU shall not affect the completion of specific activities initiated and uncompleted.

IN WITNESS WHEREOF, this Memorandum of Understanding has been duly signed in the English language (one copy for each Party).
